if we can acknowledge that our fate is connected with the fate of others and that of the collective world then we must ask ourselves how we can improve the world within our capacity how do we progress while ensuring the socio economic and

emotional wellbeing of others one of the answers is through crowdfunding crowdfunding the story of people uses a data driven storytelling approach to capture the impact and potential of crowdfunding in a world governed by inequality it does so while maintaining a constant grip on both the micro and macro perspectives of collective giving social collaboration and financial inclusion as people we see life from a shared prism but how we interpret it often varies all of us have a unique way of deriving meaning from the stories around us we all share an inherent tendency to look at something small and connect it with larger patterns it is how we make sense of our world through connections patterns and shared interpretations by stitching together stories and data from around the world the authors have successfully mapped the crowdfunding universe in a lucid and riveting manner the authors flip through the pages of history to shed light on people s collective efforts and diverse fundraising techniques that have evolved into modern day crowdfunding they explore the current industry trends of crowdfunding the challenges it faces and piece together the potential solutions to those problems

the editors and authors of this book seventh in the service learning in the disciplines series bring their own sociological wisdom and imagination to demonstrate how service learning can effectively be used in the sociology curricula and in class exercises discussions in the introduction and chapters along with appended syllabi provide ways in which such programs can be adopted in undergraduate sociology courses

what can sociology tell us about our personal lives families and intimate relationships this book explains how key theoretical perspectives and relevant contemporary research in the discipline can shed new light on even the most familiar areas of our everyday worlds from friendships and pets to political engagement and social legislation the text shows how distinctions and connections can be drawn between our public and private lives each chapter explores a familiar topic that illustrates how individual relationships and lives can be shaped by social contexts and how personal choices shape the wider social world using vivid case examples drawn from topical areas of debate such as marriage rights and the role of social networking the book is clearly laid out and easy to read it gives useful explanations of theory and invaluable advice on how to carry out research on personal lives and relationships this is essential reading for students of sociology interested in family relationships and beyond new to this edition pre existing chapters have been fully re written includes a number of new chapters on topics such as the body home and personal life in public spaces reformulated questions for discussion at the end of each chapter

this text represents a major sociological investigation into present day quakerism in britain its main focus is how belief has become individuated within the group and the consequences of this postmodern condition it is argued that quakers in britain have become post christian and that unity and cohesion are provided by adherence to a behavioural creed that a liberal belief culture operates alongside a conservative and conformist culture the relationship between these two aspects of the quaker double culture is explored as is the way aspects of the behavioural creed especially the sacralization of silence have

accommodated and promoted a paradigmatic shift in the nature of quaker theology in the last 30 years a silent revolution the study examines alternative ways in which membership of a group can be constructed how apparently contradictory sets of values can be accommodated within a single culture how liberalism can be both promoted and constrained simultaneously and how organizational change can occur without any explicit or common agreement over the nature of change

csa sociological abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences the database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

collection of articles on factors of sociology in the usa covers social psychology social structures occupational sociology incl work and leisure community relations family structures cultural factors behaviour social change etc

focuses on the examination of the difficulties encountered when dealing with social problems

21st century sociology a reference handbook provides a concise forum through which the vast array of knowledge accumulated particularly during the past three decades can be organized into a single definitive resource the two volumes of this reference handbook focus on the corpus of knowledge garnered in traditional areas of sociological inquiry as well as document the general orientation of the newer and currently emerging areas of sociological inquiry

this dictionary provides not only one line definitions but also entries that discuss the issues involved in and alternative approaches to the concepts theories and writings of sociology the entries range from bureaucracy to critical theory and cross references help in clarification

presents alphabetically arranged articles on the fundamental issues and concepts in fourteen fields of sociology including culture deviance and social control and social stratification this volume covers anomie and deviance through microsociology

this comprehensive mainstream text presents the basic theoretical conceptual and methodological tenets of sociology in a readable and personal manner its balanced presentation challenges students to pose their own questions about society and to

think critically about the world in which they live it presents the study of sociology as a means by which students can transcend personal and societal prejudices this seventh edition continues its tradition of integrating innovative pedagogy directly into the book such as a built in student study guide lecture launching cnn video segments that link to text specific topics and continued use of the sq3r survey question read recite and review learning technique
